Description

Prepared by the IMF's African Department, and published twice a year in English and French, Regional Economic Outlook: Sub-Saharan Africa analyzes economic performance and short-term prospects of sub-Saharan Africa and provides in-depth analysis of selected topics. The April 2009 REO includes two main chapters: the economic impact of the global financial crisis and the impact of the crisis on Africa's financial systems. Detailed country data are provided in a statistical appendix.
